## Wall of Honor

# CHICKASAW WELLNESS COMPLEX

The wall is a representation of individuals from the community and alumni that donated money in order to make the CWC, recreation trail, and all-weather track possible.

### The Wall of Honor

Located along the east wall of the Chickasaw Wellness Complex is the Wall of Honor and End Zone Club. It represents individuals from the community and alumni that donated \$250 or more to the GiFT Campaign. This money was used to make the following possible:

- CWC recreation facility
- 2 1/2 mile recreational trail
- All-weather track around the high school football field

No tax money was used for this project, so members of New Hampton and surrounding communities are especially thankful for these generous gifts. Without the donations, the \$2.25 million goal would not have been reached.

### The End Zone Club

The End Zone Club highlights the names of those who contributed to the final push of fundraising. The goal was for 100 people to pledge \$1000 each. The money was successfully collected.

### Donations

If you are interested in donating monetarily to the Chickasaw Wellness Complex, please complete the Donation Form attached to this brochure and send it back to the CWC. The CWC/GiFT committee is also able to accept:

- stocks and securities
- bequests in wills or life insurance
- memorial gifts honoring relatives or friends
- gifts through your corporation or business

If you have any questions or are interested in donating equipment, weights, etc. contact the CWC Director at 641-394-5433.
